I want to thank each of you for allowing me to serve as your Community Lay Director this past year. The "Miracle of Emmaus" still amazes me. Only God can put all these moving parts together and bring about renewal and restoration with each walk or flight. After 20 years, Llano Estacado Emmaus continues to function as an instrument of God bringing new life to Christians who need a reminder that God loves them and wants to use them to advance His Kingdom.

There are still areas I would like to see make some progress. A few of these are:

Reunion groups in existence communicated to the community. We're planning to develop a list of groups with contact numbers to put in closing packets. We also want to assist in the formation of new groups to meet the needs of new members.

Sponsor training which will eliminate last minute confusion during walks in progress.

New churches in which to hold community meetings in order to spread the blessing of Emmaus.

A new database to use in tracking those who have attended a walk and allow team selection to reach those who would like to serve on a team.

Outreach into the community for places where we can practically "change our world."

Pray about how you can be involved in any of these areas. Pray for our new Community Lay Director, Lisa Karnes, as she leads us into the new year. It's a huge task, but one with many blessings.

And, finally, I will commit to continual support of the community in ways I am called. After all, I don't want to miss the excitement of Emmaus.

Blessings,

Larry Sanders
